THE NINETEEN FORTY-FIVE QUIVER

When you think a lot of a person it is hard to put it into words. That's how I feel about you.

Remember at the first of the year when we had elections in mutual? You have been so much help to me. Thank for everything.

And then the play. It must have been fate that we cast it the way we did. Kate and I hadn't even read the play - so - how were we to know Anita and Beulah were together all the time.

I am so very glad that everything worked out as it did. You were so swell. Remember the night I said your lines. Because I knew them so well I thought they were mine? Going to Weston and Franklin was really fun. even if we knocked each other over everytime we took a bath it was so small (the dressing room).

I'll still be around next year, so please don't forget me. You kids will just have to struggle along without us in mutual, though, because we won't be with you anymore. Good luck on your Girl's League office. I know you will really make a go of it, and stand in line for something even bigger and better in the future.

Wishing a swell girl all the success and happiness in the world - I really mean it. You deserve it.

Love, Nola

The problems of administration of schools in times like these are very perplexing.

The job of maintaining adequate educational opportunities for our youth when costs are steadily rising and school revenues remain practically the same is no easy task. But with the proper cooperation of students, teachers and parents the School Board is able to maintain a school of which we may all be proud.

The executive officers this past year have carried on where those before us left off. On many occasions the committee met with the principal where business was carried on in planning this year's events.

We found many new problems confronting us because of the increased enrollment. We planned the school campaign and carried it through in as orderly a manner as possible.

We extend thanks to the Student Council which through fine cooperation made possible an excellent Play Day and Homecoming, both of which will live long in the memories of the students. We wish to extend thanks to the other student body officers who have carried on their work faithfully. We wish to extend thanks to Principal Spilsbury and Superintendent Simmons who have been very considerate and tried to make possible the things for the students that they thought were best.

We feel indeed honored for the opportunity of serving you and hope that some of the things we have done will be examples for the officers who follow us.

CLASS OF '45

Secy. and Social Mgr.

The graduating class of '45 is leaving Preston High with many fond memories that will remain with us throughout our lives.

Our Sophomore year was filled with fun and enjoyment and the outstanding achievement of our Junior year was the Junior Prom. This year we have piled high the number of our activities; among them were class parties, assemblies, the Senior Sneak Day, and, to top the list, Commencement.

Graduation will live with us through our years as a part of our school life never to be forgotten. Many of our number now in the service did not have the privilege of graduating with us, but we will do our best to share with them the pride we experienced that night.

As we leave, we wish to thank all of our instructors for their patience with us, and the board of directors for making our high school education possible.

THE FRESHMAN CLASS

The Freshman Class has felt it an honor to attend the Senior High School this year as this is the first year that the ninth grade has been a part of the Senior High. They have adjusted well to the change and all feel that they have profited, and helped to uphold the standards of the school.

During the year they successfully sponsored one assembly, the Freshman Frolic, and a class party and dance.

THE SENIOR CLASS OF 1945

SHIRLEY MAE ADAMS hails from Linrose. She is active in Kanoma Club, Commercial Club, and on the piano.

JEAN ALBANO, an active member of the G.A.A., spent her first three years of high school in Mountain Home.

JANE RENEE ALDER has held many high school positions. She has been student body vice president, cheer leader, Sophomore vice president, and has participated in Pep, Commercial, Kanoma, and Thespian clubs, with parts in school and Thespian plays.

Although interested in aeronautics, **HAROLD B. ALLEN** spends much of his time tinkering with a car.

A handsome man who loathes women and study is **WARREN ALLEN**.

JACK D. ALLRED, commonly known as GUY, has two great interests—F.F.A. and Thelma Drury.

REESE M. ALMOND, a product of Downey, is a cheerful fellow and a good singer.

An active member of Kanoma Club, Commercial Club and Pep Club, and also a good artist is **NELDA ARCHIBALD**.

GOLDEN RULON ANDRA (SILVER), a good boxer, has also been interested in F.F.A., choir and opera.

Glendale has sent us **ELLEN AUGER**, an active member of our choir and opera.

LA RUE BAIRD comes to us from Mink Creek High School, and plays in our band.

LU WAYNE BARRINGTON, a four-year active member of the F.F.A. and a good baseball player, is also a member of the Builders' Club.

NORMAN BECKSTEAD, more commonly known as HERM, hails from Whitney. He is an active Thespian, and a member of the F.F.A., but spends most of his time with Laura.

SPENCER WOOLLEY BECKSTEAD, or just BECK, a member of our football team, is active in orchestra, band and pep band.

BEVERLY BELL entered our high school from Mink Creek in her junior year. She is a member of the Pep Club and Kanoma Club and also—Brent's accompanist.

JUNIOR BELL will never be rich if silence is golden. His main interest is "going steady" regardless of who with.

DAN LA MAR BELNAP, more commonly known as BOONE, will be missed by all who like red hair.

VERA BINGHAM, or just BING, has enlivened our Pep Club, Thespian Club, our dramatics program and opera.

ELDRED BODILY is a Fairview Farmer whose hobby is horses—but not hobby horses.

AFTON BODILY, also from Fairview, is a member of the Builders' Club and has taken part in opera work.

MILDRED BODILY, known to us as MILLIE, is a member of the choir, but she lost her bet on Dewey.

DELL H. BOSEN has taken part in intramurals, but his secret ambition is girls.

JACK FENTON BUTTERFIELD, often known as SCOTT (wonder why) is a football star and a boxer, but oh, the library fines he has paid.

EDRIS CAFERTY, known to many as TEDDY, is a member of the Pep Club, Commercial Club, Girls' League, and an officer in the Builders' Club. She has shown real talent in dramatics.

GEORGE GLENN CARTER is a Future Farmer and is taking the War Production Training work at Logan.

REESE T. CASPERSON, a football letterman, takes his delight in playing pranks on people, especially the teachers.

JENEAL ROSETTA CAZIER has brightened the Commercial and Kanoma Clubs with her smile.

For real life in the Pep Club, Commercial Club and Marching Corps, we have learned to look to **JOYCE CHOULES**, another Fairview maiden. Ask Judd.

THE SENIOR CLASS OF 1945

Another studious senior to come to us from Mink Creek where she was sophomore vice president is **RHODA CHRISTENSEN**.

VELMA CHRISTENSEN is one of our best girl athletes. She has been active in the G.A.A. and basketball.

CALVIN C. COLE, or just **BUD**, was active in F.F.A., choir, and football. Wonder if he'll always be bashful.

ELIZABETH (TIZZ) CONDIE is president of the Commercial Club, and a member of the Pep Club, Music Club, orchestra, and marching corps. Another ambition of hers is to keep her grades on the "A" level.

COLLEEN COTTLE of Fairview is a member of the choir and opera chorus.

BEVERLY DAVIS, a real student and a radiant personality, is a member of Pep Club, Commercial Club and Thespians and has made some real contributions in dramatics.

LE ROY DONEY, often known as **ALVAH**, has made an enviable name for himself in the F.F.A. He has been charter president, district president, and holds the State Farmer's Degree in F.F.A.

THELMA DRURY is a member of Pep Club, Kanoma Club, Marching Corps and G.A.A.

RICHARD DUNKLEY comes from Whitney. He is vice president of the Music Club, active in opera and choir, and often entertains with his cornet.

GARTH G. EAMES is president of the Lettermen's Club, co-captain of the football team, and is a member of the Aeronautics Club.

BRYCE KENT EGLEY, who entered from Mink Creek High School has proven himself a good boxer this year.

DARLENE EVANS, known to friends as **DINKY**, has been a mighty busy girl. She has been active in Pep Club, Kanoma Club and is president of the Girls' League.

BETTY JEAN FLETCHER is a member of the Kanoma Club and the G.A.A.

ELNORA JANE FLETCHER, better known as **NORRIE**, is a member of Pep Club, Commercial Club, Thespian Club; active in music and dramatics and as cheer leader, and was chosen "Sweetheart of Preston High."

LA CONNA FOSTER, an accomplished pianist, is a member of the Music Club, Thespian Club, and took part in the music clinic.

CONRAD GARRET, better known as **CON**, was Sophomore class president and is a member of the Aeronautics Club. We saw him once without Shirley.

JACQUELYN GEDDES, or just **JACKIE**, is a member of Commercial Club, Music Club, Pep Club, and senior president of the Girls' League.

ROBERT C. GEDDES, bus driver from Banida, has done active work in band and orchestra.

NADA GILBERT is an officer in the Builders Club, a member of the Kanoma Club, quiet, but a friend to all.

CAROL GREAVES, a member of the Pep Club, Kanoma Club and an active leader in many Preston High activities.

LA MOYNE HALL, another Pep Club member took part in last year's opera. Who says we don't like red hair?

MARY JANE HANDY, a former student of Franklin High School came to Preston in her senior year, bringing with her an excellent soprano voice which was responsible for her lead in the opera. She is secretary of the Kanoma Club and plays in the orchestra.

CLAIR HANSEN, commonly known as **HANS**, attends the W.P.T. program at the U.S.A.C.

LEE HANSEN, or just plain **RED**, is active in football and is a member of the Lettermen's Club.

BAND

Hurrah for our forty-eight-piece Preston High School Band. We are proud of this band and proud of its enthusiastic director, Marcell W. Bird. Through his efforts we have made a real success of this organization.

We held a benefit dance and the proceeds received together with liberal donations from the Lions Club, Rotary Club and Chamber of Commerce were over eight hundred dollars for buying band instruments. In the fall our band marched in uniform with the Homecoming Parade. We held a music clinic in Preston for the first time in its history. This was educational as well as interesting to us all. We were very proud to play in a two hundred-piece band.

Our goal and purpose is to be of service to our school and community.

PEP BAND

One new contribution to the life of the student body this year has been the Pep Band under the direction of Mr. M. W. Bird, with Laura Palmer as director and Darlene Oliveron as assistant director.

The Pep Band has added zest to both football and basketball games and has presented an assembly which consisted of some of the musical achievements of the year.

MUSIC CLUB

The officers of the Preston High School Music Club for the school year of 1944-45 are:

President	Dallas Keller
Vice President	Richard Dunkley
Secretary	Beverly Bell
Social Manager	Lynn Perry

The organization consists of those students taking either choir, band, orchestra, boys' glee or girls' glee, and who live up to the constitution and by-laws of the club.

CHOIR AND ORCHESTRA

Three major events have marked the activities of the choir during the year 1944-45. The first of these was a fall concert held in the high school auditorium December 11. The choir of one hundred twelve voices sang several beautiful numbers, and there were three solos.

The second was a music clinic which was held in Presion including students from five neighboring towns.

The third was the annual high school operetta held March 16, 1945. This was an Indian operetta in three acts named "Lelawala," containing eighteen lead parts, with a chorus of seventy voices.

Climaxing the year's musical activities was the Worley Cup Contest which was held April 30, 1945.

The Orchestra has played a very important part in making this school year complete. It is under the direction of Mr. Bird and consists of about forty-eight members. Some of their activities were furnishing music for the school play, presenting a Christmas Cantata in connection with the choir, playing at the clinic, playing at the Farmers Convention, and presenting an Assembly.

Each spring the girls in the club spend from three days to a week at Girls' Camp in Logan canyon.

GIRLS' LEAGUE

Some of the boys attended the Convention to try for State Farmers and they rated very high. The classes have been very active and the boys all have good livestock and farming projects.

AUTOMOTIVE CLASS

This is the first year for this class and it has proved very popular as both morning and afternoon classes are filled to capacity. The class is made up of Juniors and Seniors of Preston High School.

It is a vocational class in war production training and has as its aim the instruction in repair and maintenance of automobile and internal combustion engines. Oscar Almond, former instructor at U. I. S. B. at Pocatello is teacher of the class.

AERONAUTICS

One of the youngest but one of the most active clubs in the high school is the Aeronautics Club which consists of twenty-two boys and one girl. It is devoted to the training of its members in the aeronautical field and preparing them for military service. The course of study consists of learning how to march, how to take and send code, and a thorough knowledge of navigation, meteorology, aircraft engines, civil air regulations, and aerodynamics.

The social activities center around the pre-flight spring formal, club parties, and the presentation of an assembly. Many of the members are solo students of the Intermountain Air Service Flying School located at the Preston Airport.

WAR TRAINING

The War Production Training Program is a new course offered by the government and consists of classes in automotive repair, radio, welding, aircraft engines, and machine shop instruction. This picture consists of the boys who go to Logan every afternoon to take these courses.

SNAPSHOTS

Homecoming and Playday were two of the most outstanding events of the year. Above are some of the snaps of floats from the homecoming parade and scenes from playday.

Homecoming will be remembered long by all of us. It started with the parade in which all clubs and classes participated. Next was the game which showed the Indians victorious over the Malad Dragons and the lively dance at night really climaxed the eventful day.

FOOTBALL

Again this year the Preston Indians have ended victorious in football, winning five out of seven games. The two winning opponents were North Cache, scoring 14 to our 6, and Burley with a score of 12-0. The teams whom we defeated were Idaho Falls, 20-14; Pocatello, 7-0; Malad, 20-19; Paris, 58-0; and Montpelier, 20-26

FOOTBALL

The first team were Cecil Lloyd, quarterback; Judd Bowles, fullback; Eldon Bennett and Jack Butterfield, halfback. The linemen were Willis Moser, center; Sandy Fletcher and Johnny Saito, guards; Ben Rawlings and LaVere Charters, tackle, and Garth Eames and Jack Swainston, ends.

BASKETBALL

The Preston second team has won seven games and lost six games. They played hard games and deserve a big hand from the Preston students. The second team players were as follows: Reed Merrill and Lynn Waddoups play guard. Blaine Olson, center; Dick Condie and Gene Peterson, forwards. Also on the team were Earl Neeley, Cleve Nuenswander, Kelly Bowles, Glenn Page, Leo Harris and Linden Beckstead.

BASKETBALL

The Preston Indians have had a few defeats this year in basketball. They have lost 12 games and won 13. The teams beating Preston were as follows: Logan, 41-37 and 26-25; South Cache, 38-16; North Cache, 36-22 and 20-18; Grace, 31-26; Downey, 30-18; Pocatello, 30-25 and 38-29; Weston, 34-33 and 30-21, and Blackfoot, 41-27. The games we won were South Cache, 26-22; Grace, 32-24; Franklin, 35-30 and 39-24; Malad, 21-12 and 43-29; Montpelier, 38-24 and 46-26; Paris, 38-16 and 45-30; Soda Springs, 43-32, and Blackfoot, 37-17.

Taking top honors at the district tournament this year, Preston Indians really put Preston High on the map. As co-champions with Pocatello we flipped to see who got the trophy or the ball. The famed team also came in sixth at the state tournament at Twin Falls and showed a fine example of teamwork and sportsmanship.

THE LETTERMEN'S CLUB

THE LETTERMEN'S CLUB

This club has been organized for the boys of Preston High who have made their letter in some sport. Its purpose is to stimulate interest in athletics and to create a feeling of brotherhood and good fellowship here in Preston High. Eight new members have been initiated recently and a party held at Clint's Cafe to welcome them was enjoyed.

BOXING

Because of the lack of competition with other schools the boxing team has had a difficult time in staging bouts to show their real ability. About thirty boys turned out for boxing under Coach Clair Hull, but got but few chances to compete because of there being only two Southern Idaho schools carrying on in boxing this year.

They have held five meets:

	Won
Preston, Malad (here)	Preston
Preston, Malad (there)	Malad
Preston, Ashton (there)	tie
Preston, A. C. (at Logan)	Preston

Ruth and Ruth are at it again!

These expressions are typical of the quartette we see floating around school.

A perfect example of our steadies are Renee and Ben.

And by the way, do you remember the bond assembly where Eldon Bennett was auctioned off as an escort for nine girls to the midnight show.

Any resemblance to Marian and Jackie is purely coincidental.

We're really proud of this trio which has brought pep to Preston High.

Lyle Shipley's beet topping crew just goes to show that Preston was really in there pitching during the harvest season.

A perfect example of the weather Preston so enjoys.
